This image shows step 35 of a LEGO assembly. The main structure is built on a blue base. A red structure is being constructed, featuring a long red beam with a white 1x3 plate attached to its side. A black 1/2 wedge is being placed on top of the red structure. The inset shows the required parts: 2x black 1/2 wedge, 2x black 1/2 triangle, and 1x black 1/2 rectangle.
